STUDENT VOTE!

Headmistress is calling on all ghouls to vote!

Do you think the howl monitors should be able to send rule-breakers to dragon grooming duties in the catacombs?

Submit your vote to the box outside of Headmistress's office by September 14th!

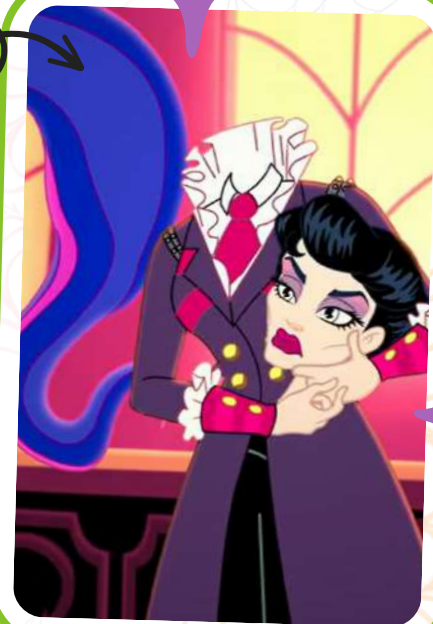

Parent-Creature Conferences

Dear Students of Monster High,

I will be conducting the annual parent-creature conferences this month during the week of September 21st. I expect all students to be on their best behavior while parents are on campus, and please remember to keep all icoffins off during class at all times. Each student has received a form placed in their locker to give to their guardian or creator. Please have them sign it and return the form to my office by September 4th.
